January 2009

To our wonderful prayer partners

Happy New Year to you! We believe that 2009 will be a year where God's kingdom comes and His will is done on earth in the same way that it is done in heaven. We are excited to be a part of it and we are blessed to have you sharing this incredible journey with us. Together let's make this a year to remember!

There is so much planned for 2009 (you can see some of it on our itinerary on page two). To highlight a few:

- We are continuing to run our Joshua Generation courses with 'The Prophetic Life', 'Leaders of Destiny' and 'Overcomers: Born to Rule' all scheduled.
- We are looking forward to amazing times overseas in The UK, The Netherlands, The USA, Cambodia, Uganda, Ethiopia, Tanzania and New Zealand. We also continue to travel extensively across Australia.
- We are so thrilled to be ministering in Rural Australia with relationships being established in several Victorian regions including Bairnsdale, Morwell, Traralgon, Kyabram and Shepparton with several ministry trips already booked. We know there will be many more and we can't wait to see deep relationships built and lots of seed sown.
- We are excited about some great resources that are soon to be released. The purpose of these is to multiply the potential of the seed and to send the messages places we might never be able to go to.
- We continue to speak into the lives of leaders through personal mentoring. This is a key part of what is on God's heart for us right now and we continue to make these a priority.

There is so much more going on and all of it needs to be birthed and bathed in prayer. We value your prayer support and we ask that you continue to pray for protection, wisdom, clarity and boldness. We also ask that you continue to join us in praying for a much greater number of financial partners in 2009 as we continue to step out in faith.

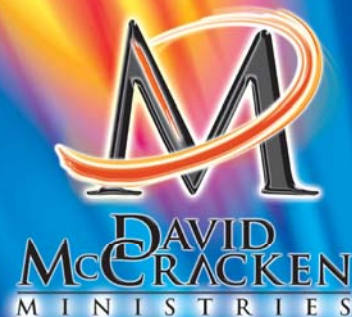

**SPECIAL NOTE:**
