

Praise & Prayer Update

Issue 1 • July 2009

Dear friends,

Our God is more wonderful than our minds could ever imagine, than our words could ever speak or than our eyes could ever see. He is bigger, greater and more loving than we could ever comprehend. We serve the Creator of all and the Comforter of all. We truly are a blessed people simply because we know Him.

This month we celebrate David & Margaret returning from a fantastic trip to the UK, The Netherlands, the USA and the Sunshine Coast. A full report on this will be available on our website shortly but here are a few comments by way of thanksgiving.

*"The words that David spoke were **cleansing us** and **refreshing us** and were **renewing our minds**. It was a blessed day here in Rotterdam."*

*"Thank you for your **love, wisdom** and **friendship**. We are still listening to the messages of the services. Every day I walk past an office in the church building and there is someone listening to another sermon you ministered."*

*"When David told us to write down on a piece of paper the points that bothered us the most, I wrote down: "fired, rejected, disappointed". I stepped on it, and I threw the paper in little pieces in the canal near our house. **Since then**, the Lord provided **new customers** and **new projects**, and a **new vision** in the management team. Thank you, for hearing God's voice on this topic."*

Steve & Mark have also been enjoying more ministry with great feedback of lives that have been impacted by the Word of God as well as prophetic input. We are so excited about our prophetic team growing and we look forward with anticipation to seeing **seven prophetic ministries by 2015!**

Coming Up on August 5th, we are having our third **Praise & Prayer night** and we would love to see you there! We will enjoy a time of worship and prayer together as well as hear an update from David. It's from 7:30-9:30pm at 13 Avonwood Road, Narre Warren North and includes supper. For catering purposes, please RSVP to Michelle on 9796-8577 or at info@davidmccracken.org.

Also in August – The Prophetic Life (11th-13th) and Leaders of Destiny (25th-28th). If you know of someone who would benefit from this time with David, please refer them to our website for more details.
