

Praise & Prayer Update

Issue 3 • October 2009

Dear friends,

I can't believe we are in the final few months of 2009! Time marches on so quickly and we all seem to get a little older. Sometimes we can have the mindset that time is against us but is that really true?

Yes the time is short and yes there is much to be done but I believe that God has allocated a certain number of days for every person. With those pre-allocated days comes a clear vision, a calling, and with it all that we need to accomplish it, yes even enough time. What a great thought for us today. In light of this, our prayer should be "Father, help me to see your purposes for my life clearly and help me to be diligent in all that you have asked of me". If we don't waste time, yet allow time to rest as God has instructed us to, we will fulfil all of God's purposes for our lives. What great news!

So many good things are happening here at DMM! Here's a snapshot...

...Steve & his family had an awesome time in Cambodia building relationships and ministering into many different meetings and situations (for the full report visit our website)...David & Margaret are currently in Africa visiting Tanzania, Ethiopia and Uganda where they are ministering one on one with many people as well as sharing at many meetings...Steve is in the middle of his two busiest months of the year with ministry in Adelaide, Myrniong, Bairnsdale, Frankston, Traralgon and Berwick...Mark is sharing a couple of times with the youth leaders and then the youth at Peninsula City Church and he & Joanna are getting ready for the arrival of their first baby... 'An Incorruptible Heart', David's new book, has just been sent off to Whitaker House in America with a request for publishing... Michelle has the incredible task of trying to make sure all the juggled pieces don't come crashing down and she does an AWESOME job!

God is so good and we are blessed as we continue to celebrate a great year of ministry. It's all about changed lives and we know that God is doing so much around the world. Many are listening and wanting to hear what the Spirit is saying to the Church.

For your partnering with us through prayer, THANK YOU VERY MUCH! Together we are seeing the Church empowered to become like Jesus Christ in character and spiritual authority.

God bless you extravagantly!
