

Praise & Prayer Update

Issue 6 • February 2010

Dear friends,

We want to praise God for His goodness and faithfulness. God always does what is best for us. Sure there are times when we would prefer things done differently but God is never caught by surprise or out of control. He loves us and He delights in us. He is also so very faithful. He never contradicts His Word and He never lets us down. What He has promised, He will do. We can always rely upon the steadfastness of our wonderful God. He is worthy to be praised.

Breakthrough Needed

For a long time now, David and Margaret's sleep has been a prayer point. We want to highlight it to you at this time and ask, as prayer partners, that we make this a focus for fervent prayer. David & Margaret often have very little sleep for several nights in a row. Physical exhaustion is a constant challenge, one they overcome incredibly, but one we want to see a supernatural breakthrough in. We know that God has so much more in store for them both and we dare to believe for a breakthrough this month in this much needed area.

Financial Blessing

We want to give thanks to God for supplying all of our needs. Over recent times, our finances have been tight but God has continued to show Himself faithful. Just this month God has blessed us beyond the normal and we truly give Him praise. We also thank the generous individuals and churches who sow financially into this kingdom opportunity – together we are impacting the Church around the world. Please continue to pray with us for finances to meet our current and future growth plans.

David's New Book

As you know, Whittaker House was our first option for publishing David's new book. This door as not opened this time around and we are now pursuing self-publishing. We are seeking to have it distributed through the major Christian bookstores and are also believing for an opportunity to promote it through Christian TV in the USA. The message contained in this book (An Incorruptible Heart) is essentially needed in the Body of Christ today and we know much fruit will come from it.

March Partnership Month

We are believing for a great month where many more people sign-up to become prayer and/or financial partners with us. We know that true partnership is one of mutual blessing. Please join us in praying that God will stir people's hearts to jump on board, as together we see God's kingdom come and His will being done on earth as it is done in heaven.
