

## **Praise & Prayer Update**

Issue 5 • January 2010

### **Dear friends,**

It is with great expectation and faith that we have launched into 2010. We come into this season with a focus on God and His goodness and faithfulness. There is nothing too difficult for our God! We are yearning for greater things and we know that we will see them this year as we stand on the promises of God's Word and stay in faith.

### **Prophetic declaration for 2010**

This is going to be a year of possessing and breakthrough. There are things in your life that you have desired to see a change in for a long time. You are still waiting and you wonder "Will it ever happen?" Yes, we believe it will. But there is a process and that process involves contending for the faith; that is, wrestling with God as Jacob did and declaring "I will not let you go unless you bless me!" This is not more striving in ourselves but a greater focus on God and what His Word declares.

To hear the audio of Steve's prophetic message on 'Contending for the Faith', go to <http://www.citylifechurch.com/SermonLibrary/> and listen to his message titled 'Breathe' on 17/01/2010

### **Partnering with us**

We can never say it enough: your partnership with us in prayer is invaluable. Spiritual battles are won or lost through prayer. Your faithfulness to us is bearing much fruit, eternal fruit and we sincerely thank you. This year, together, let's go to another level. Let's make an impact in the Body of Christ that God rejoices in and the devil trembles at and may it all be for God's glory!
