

Praise & Prayer Update

Issue 30 • May 2010

Dear friends,

Psalm 118:24 says 'This is the day the Lord has made; we will rejoice and be glad in it'. Life itself is a gift from God. It is a gift to be lived, not endured. It is a life given to be lived in relationship with the Creator, and to be lived from the place of abiding in Him. May all of our lives be a reflection of our wonderful God and Saviour and may all we do bring Him glory!

We celebrate again this month the goodness of God. He has continued to supply all of our needs. Our financial situation continues to move forward with a few new financial partners joining with us last month. We shout "PRAISE GOD!" We celebrate a sharpness and clarity in the prophetic that is unlocking people's lives and restoring their hope in God. When God's Church is encouraged, strengthened and comforted through prophetic words, God is honoured and people are blessed. We celebrate people's lives that have been touched by the preaching of the Word, by personal ministry, by the BIY daily devotional, by resources and by the prophetic ground DMM is taking as we continue to move forward in God's purposes. All we do and all we are is for God's glory alone.

We value your partnership with us so much. I know we say it but I hope you know that your prayers are making a difference. God doesn't do anything on earth except in answer to prayer. The Church of Jesus Christ is being empowered through DMM and your prayers of faith and support. You are helping to unlock things in the spirit realm. You are helping by covering us with your prayers of protection. You are supplying strength like Aaron and Hur did for Moses as you hold up our hands in prayer. Thank you very much and together let's continue to cry out for God's kingdom to come and His will to be done on earth as it is done in heaven. God bless you more and more as you love Him with all your heart.
