## A Christmas message...

Angels stood in awe and demons ground their teeth in helpless frustration. The invasion had begun and the force that would repossess this planet had just been unleashed.

Jesus, the Messiah, the Eternal Word, Creator and Redeemer, all conquering King, had left the realm of the Eternal and had arrived on earth. Light had invaded dark.

At this time in which we celebrate that awesome moment let us be mindful of why it occurred. Jesus came to redeem mankind and wrench us (and the planet) from Satan's evil dominion and bring us under the loving, empowering rule of His Father. He came to liberate mankind from the tyranny of darkness and evil.

As we face 2010 let us pause to express our gratitude and praise, and dedicate ourselves afresh to being His Ambassadors and complete the campaign He launched 2000 years ago. Let us be fearless in confronting the darkness (not tolerating it and calling it 'acceptable entertainment') and let us bring the power of His light to bear.

2010 is to be a year of possessing: a time to see God's redemptive purpose fulfilled, a time to take prophecies and dreams off the shelf and refocus on them, a time to arise again with the spirit of conquest, a time to hear clearly and obey boldly. This is a time to bring His authority to bear, to extend His Kingdom, to remove the shackles of intimidation, to re-establish His Word as absolute and infallible, and to see our lives freshly empowered.

My prayer for your 2010 is that it will be a year of possessing the territory He has assigned to you with boldness of heart.

Love & God bless,

David

## REVIEW:

Wow what a year! 2009 for many has been a year of challenge but we praise God for the incredible growth that this season has and will continue to bring about.

As a ministry we have ministered in nine different nations, to hundreds of pastors and leaders and tens of thousands of individuals. The prophetic clarity has gone to a new level with incredible fruit as Churches have received the prophet, and as a result, have received the prophet's reward.

God has spoken powerfully from His Word with so much insight and revelation.

Many people have been drawn back to the simplicity of relationship with Abba Father.

Many have also been challenged to embrace the divine exchange and to give God their inadequacies and to receive from Jesus all that He has already done for them. This year has been a year of empowerment for so many and we greatly rejoice in the truth that is setting so many people free!

***Praise the Name of the Lord who alone is worthy to be praised!***

## JOSHUA GENERATION COURSES

We love running the Joshua Generation courses here at DMM and we praise God for the incredible fruit as a result of them. If you haven't already attended, we encourage you to consider making 2010 the year.

The next **'Leaders of Destiny'** course is **May 4th-7th**. This is small group interactive course with prophetic worship and prayer at our ministry centre. David speaks from his 37 years in ministry and draws largely from his 'dark night of the soul' as he delves deep into the nature of godly leadership. These four days have been like 'deep surgery of the soul' to the many who have attended. This course is for Senior & Associate Pastors & Spouses and Senior Christian Business Leaders. *Register on-line or e-mail [info@davidmccracken.org](mailto:info@davidmccracken.org)*

**'The Prophetic Life'** is going to be run differently in 2010. Previously a three day small group course, this vital message about living life out of hearing God's voice will be made accessible to many through a weekend open seminar. Dates have not yet been set but stay tuned for more info.

## BEYOND 2010

We look forward with anticipation to...**seven prophetic ministers** by 2015...**increased volunteers and staff** to facilitate the mission...our future **ministry centre** complete with auditorium, class rooms, accommodation, offices, a lake and **'The Michael Simpson Memorial Library'**...**new nations**...**new resources**...**new courses**...**new faith horizons**... **multiplied fruit**.

We see an incredible future!

## RURAL IMPACT

Our heart is to input into the Body of Christ in Rural Australia. This year we had the privilege of ministering at Kyabram, Mooroopna, Tatura, Bairnsdale and Wodonga (all in Rural Victoria) at Churches and Pastor's events.

We have found such an incredible depth and hunger in these places and it is our privilege to partner

with them and strengthen them.

Also this year, we had the privilege of hosting several people who minister to Indigenous Australians, to attend 'Leaders of Destiny'. What a wonderful group of people; they're doing an incredible work for God. A very special thank you to the wonderful sponsor for making this possible!

*"The feedback has been really great and I really felt what you brought was a word in season for our team and youth. It was great to have you, and I look forward to connecting again!"*

- Ps James Williams, regarding Mark's ministry

## PREVIEW OF 2010

God is preparing His Bride, The Church of Jesus Christ, for His return. He is coming back for a Bride that is without spot or wrinkle. He is coming back for a Church that accurately reflects Him, that walks in spiritual authority and that is completing the task which He gave it to do. It is our privilege and honour at DMM to play our part in empowering The Church.

One of the exciting new initiatives David is undertaking in 2010 is the launch of 'Pastor's Days'. This will be focused time with pastors to bring God's 'Now' Word and speak about what God is saying to The Church. These times will be held in different locations and open to all pastors in the Body of Christ. If you have influence with local pastors and would like to facilitate a 'Pastor's Day' with David, please give us a call on (03) 9796-8577. Check out the itinerary on Page 4 for all current bookings.

Also In 2010 we will continue to strengthen relationships with the nations that God has already laid on our hearts. There are many open doors for effective fruitful ministry. We also sense that God will open up other nations to us and we ask that you prayerfully join with us for God to reveal His will in this.

With a team of four ministering publicly (David, Margaret, Steve and Mark), we know that God is going to empower many people in 2010. If you would like a DMM team member to minister for you, please contact us, we'd love to hear from you.
